Telephone: 919-338-8123

Curriculum Vitae

Degrees

2006: Ph.D. in Psychology. University of Edinburgh, Edinburgh, Scotland.

1990: Doctoral Candidacy in History. Duke University, Durham, North Carolina, USA.
Specialization in the histories of science, medicine, and American social history.

1977: M.S.Ed. in Higher Education with psychology as a teaching specialty. Northern Illinois University, DeKalb, Illinois, USA.

1974: B.A. with Honors in Psychology. Mundelein College, Chicago, Illinois, USA (now subsumed under Loyola University).

Languages

English, Spanish (moderate level of fluency)

Current Professional Memberships

American Psychological Association. 2013-Currently, Life Member; 2006 to 2013, Full Member; 1983 to 2006, Associate Member.

Cheiron: The International Society for the History of the Behavioral Science. 1989 to 2004, 2015 to currently.

International Society for Technology in Education in Second Life. July 2009 to currently.

Parapsychological Association. Member, 1981 to Currently. 2003 to 2004, 2000 to 2001, President; 1997 to 2004, Member, Board of Directors; 1991 to 1999, Editor, of the association newsletter, *PA News*; 1993, Editor of the association proceedings, *Research in Parapsychology*.

Society for Consciousness Studies. 2014 to Currently.

Current Teaching & Curriculum Development Experience

2013 to Currently:

Distinguished Core Part-time Professor, Department of Psychology, School of Social and Behavioral Sciences, Northcentral University.

Taught Courses: PSY5101 Foundations for Graduate Study in Psychology, PSY5102 History and Systems of Psychology; PSY5107 Research Design; PSY5109 Theories of Personality; PSY5110 Applied Statistics, PSY7011 History and Systems of Psychology, PSY7101 Foundations for Doctoral Study in Psychology, PSY7102 Scholarly Writing and Professional Communication in Psychology, PSY7121 Socio-Contextual Psychology of Gender; PSY7122 Family Processes and Social Content, PSY8100 Theories of Personality, and PSY8118 Grant Writing in Psychology.

2014 to 2020, 2022 forward:

Volunteer co-facilitator with Dr. Nellie Deutsch (Moodle for Teachers) and others for the annual course on teaching in virtual worlds, called the Second Life MOOC series from 2014 through 2017, called the Virtual Worlds MOOC from 2018 through currently, , an annual month-long course taught on Facebook and YouTube, certificate course on Moodle4Teachers.org, and in the virtual worlds, Second Life, Avacon Grid, Digiworldz, CraftWorld, Kitely, Minecraft, among others. Main responsibilities: Teaching the introduction to higher education in virtual worlds lecture as well as virtual world skills workshops for teachers, recruiting presenters, maintaining the “physical” syllabus and other materials in the Second Life and DigiWorldz Headquarters year-round, running Second Life and Digiworldz discussion sessions and workshops, preparing session videos for upload to the course playlist on the Nellie Deutsch YouTube channel, as well as preparing and uploading pre-class basic skills tutorials in virtual world teaching skills.

2015 to Currently:

Co-organizer with Dr. Carlos S. Alvarado, through The Alvarado Zingrone Institute of Research and Education (The AZIRE), a virtual teaching project of Alvarado, Zingrone, and Associates. Principle activity, the annual “massively” open online course, *Parapsychology and Anomalistic Psychology: Research and Education*, also known as the annual ParaMOOC series. Principle responsibilities include moderating January/February slate of weekend graduate level lectures presented by an international multidisciplinary group of university faculty, doctoral students, and active researchers. Primary moderator of all sessions during the presentation phase and throughout the course until and after the formal end date in August of each year. Manager of the content in the courseroom and in the The AZIRE Library and Learning Center in the virtual world Second Life, primary moderator of the discussions forums on the ParaMOOC Facebook page, on WizIQ.com and in Second Life, completing assessments for certificates, handling student correspondence, and preparation of session videos for upload to Parapsychology Foundation YouTube Channel. The course, funded from 2016 through 2020, was supported by Zingrone and Alvarado in 2015 and will offered in 2021 as well.

Recent Research Experience

June 2003 to 2010:

Assistant Professor of Research, University of Virginia Health System, Department of Psychiatry and Neurobehavioral Sciences, Division of Perceptual Studies, Charlottesville, VA, USA. Independent research into: psychological correlates of claims of paranormal experiences;

rhetorical, historical and discourse analysis of texts in psychical research and parapsychology; the above including web-based and random surveys of depersonalization, life satisfaction and out-of-body experiences conducted with Carlos S. Alvarado, Ph.D. for Bial Grant 6506 and of absorption, adult memories of childhood imaginary companions, seemingly psychic experiences and life satisfaction conducted with Carlos S. Alvarado, Ph.D. for Bial Grant 7908.

2011:

Participated in the development of the methodology for a survey study of synesthetic experiences with primary investigator Dr. Christine Simmonds-Moore (University of West Georgia), and secondary investigator Dr. Carlos S. Alvarado funded by the Bial Foundation.

Recent Grants and Awards

2006:

Fundação Bial, Porto, Portugal. Grant 65/06. Secondary investigator with primary investigator Carlos S. Alvarado, Ph.D. Research grant. Investigation of depersonalization and its relationship to dreams, synesthesia-like and seemingly psychic experiences through a random survey and a web-based survey.

2008:

Fundação Bial, Porto, Portugal. Grant 79/08. Primary investigator with Carlos S. Alvarado, Ph.D. Research Grant. Investigation of the psychological correlates of adult memories of childhood imaginary companions with both a random survey and a web-based survey.

2009:

Perrott-Warrick Fund, Cambridge University, Cambridge, England. Research grant. Secondary investigator on grant awarded to Dr. Carlos S. Alvarado. Investigation of apparitional experiences through a web-based survey.

Parapsychological Association Research Endowment Grant. Secondary investigator on grant awarded to Carlos S. Alvarado, Ph.D. Development of a psychometrically constructed psychological inventory on the out-of-body experience.

Society for Psychical Research, London, England. Research grant. Primary investigator with Dr. Carlos S. Alvarado. Case collection of out-of-body experiences with various methods of recruitment including a web-based survey.

2013:

International Association for Near-Death Studies, Durham, NC, USA. Research grant. Primary investigator with Dr. Carlos S. Alvarado. Survey research on shared death experiences.

International Association for Near-Death Studies, Durham, NC, USA. Writing grant. Secondary awardee with Dr. Carlos S. Alvarado. Review paper on shared death experiences.

2015:

Parapsychological Association, Outstanding Contribution Award. Recognition of development and presentation of graduate-level adult education courses in anomalistic psychology and consciousness.

Recent Administrative and Editorial Experience

March 2003 to May 2010, 2013 through Currently:

Alvarado, Zingrone & Associates, formerly Alvarado Consulting, Carrboro, NC, USA. (2003 to 2010, Charlottesville, VA, USA). (Schedule C business owned by Carlos S. Alvarado). Part-time business manager, publishing and research staff. Provided editorial, research, and translation services as well as training to clients on blogging, YouTube video creation, YouTube channel management for not-for-profits, and social media for education.

Past Professional Memberships and Offices

Academy of Spiritual and Consciousness Studies, Inc. Vice-President, 2015-2016; Member of the Board of Trustees, 2014 to 2017.

American Historical Association. 1985 to 1993.

American Psychological Society. 1997 to 2003, Associate Member.

American Society for Psychical Research. 1972 to 1990.

American Sociological Association. 1995 to 2003.

Asociación Iberoamericana de Parapsicología. 1995 to 2000, Member of the Founding Council.

History of Science Society. 1984 to 2007.

Independent Scholars Association, Durham, NC. Member, 1984 to 1988, Editor, *ISA Newsletter*, 1985 to 1987.

International Society for Self and Identity. 2001 to 2003.

International Society for the Study of Dissociation. 1988 to 1998.

Society for the Social Study of Science. 1999 to 2007.

Past Teaching & Curriculum Development Experience

1974-1976:

Illinois Center for Psychological Research, Park Ridge, IL, USA. (No longer in operation). Taught annual adult education course.

Spring 1977:

Elgin Community College, Elgin, Illinois, USA. Teaching intern in psychology for completion of master's degree in 3 sections of *Introduction to Psychology*.

1977-1980:

Mundelein College (now subsumed under Loyola University), Chicago, IL, USA. Taught adult education courses once a year, *Introduction to Parapsychology*, and *Ghosts, Poltergeists and Hauntings*. Occasional statistics tutor in the Mundelein College Learning Center.

1979-1982:

Northeastern Illinois University, Chicago, IL, USA. Adjunct faculty in psychology. Designed and taught *Introduction to Statistics*, *Nonparametric Statistics*, *Introduction to Parapsychology*, and *Research Seminar in Parapsychology* to undergraduates.

1981-1982:

Harold Washington College (formerly Loop College), Chicago, IL, USA. Taught adult education courses in alternating semesters.

Field Museum of Natural History, Chicago, IL, USA. Taught adult education courses in alternating semesters.

Summers 1983-1993, 2000:

Institute for Parapsychology, Durham, NC, USA. Lecturer in statistics, experimental methodology, history of parapsychology, personality and individual differences in ESP research, and spontaneous case studies. 1983–1993: Providing advising, mentoring and library support to students.

Spring through Fall 1997:

While a doctoral student at the University of Edinburgh, co-designed and co-facilitated a mixed online/on-site research course for graduate students and professionals in Ibero-America. In collaboration with individual teachers at three sites in Brazil, at two sites in Mexico, one site each in Chile, Portugal, Argentina, Puerto Rico, and Cuba, team-taught the course in Spanish, English, and Portuguese. Main responsibilities: Set-up and maintenance of the course website, distributing translations of readings and discussions, gathering social materials for upload to website, preparing and disseminating course completion certificates, coordination with on-site faculty.

2000:

Universidad Carlos Albizu, San Juan, Puerto Rico. Co-taught with Carlos S. Alvarado, Ph.D., one-day seminar, *El Estudio Psicológico de los Fenómenos Parapsicológicos*.

2001-2005:

Parapsychology Foundation, New York, NY, USA. While serving as the full-time Director of Publications, designed, and team-taught with Dr. Carlos S. Alvarado, four one-day seminars: *Introduction to the Scientific Study of Psychic Phenomena*, *Ghosts and Hauntings*, *Beyond the Body – Out-of-Body and Near-Death Experiences*, and *Parapsychology's Forgotten Phenomena*.

2008:

Asociación de Psicología de Puerto Rico, San Juan, Puerto Rico. Co-taught with Dr. Carlos S. Alvarado, one-day seminar: *Psicología y parapsicología: Introducción, Historia e Investigación*.

2009:

Rhine Research Center, Durham, NC, USA. Co-taught with Carlos S. Alvarado, evening lecture, *The Wandering Mind: On Out-of-Body Experience Research*.

May 2010 through January 2013:

Director of Academic and Administrative Affairs at Atlantic University, Virginia Beach, VA, USA. Online teaching related responsibilities included designing and teaching self-paced and real-time faculty professional development courses on PBWorks, Moodle and the social media/webinar system, www.WizIQ.com; filming and uploading professional development on online teaching and teaching with technology for the faculty. Also designed and facilitated faculty and student Moodle training for 2013 classroom conversion; managed transition of courses from Pbworks.com to Moodle; designed and facilitated student training for online proctored exams in 2011 and oversaw online proctored exams in 2012.

2011:

Atlantic University, Virginia Beach, Virginia, USA. Designed and team-taught with Carlos S. Alvarado, *Introduction to the Scientific Study of Psychic Phenomena*, four-week adult education course.

Fall 2012:

Visiting Faculty, Institute of Psychology, University of São Paulo, São Paulo, Brazil. Designed and team-taught with Dr. Carlos S. Alvarado, 5-day graduate course in anomalistic psychology. Visiting Faculty, Federal University of Juiz de Fora, Juiz de Fora, Brazil. Team-taught with Alvarado 2-day graduate seminar in the Department of Psychiatry.

A.R.E. Cville, Charlottesville, Virginia, USA. Designed and team-taught with Carlos S. Alvarado, one-day seminar, *Hidden Dimensions of the Out of Body Experience*.

2013 through 2014:

Adult education instruction for the Rhine Education Center, Durham, NC, USA on a Moodle platform with WebEx webinars, taught a pre-designed *Introduction to Parapsychology* course, redesigned to include more research, team-taught *Introduction to Parapsychology* twice more with Dr. Carlos S. Alvarado, designed and team-taught with Dr. Carlos S. Alvarado, three additional research-based courses *Wandering Mind: Introduction to OBE and NDE Research*, *Introduction to Precognition and Premonitions*, and *Exploring Mediumship Research*.

2015:

Co-organizer with Dr. Carlos S. Alvarado, of the fee-based online course, *Mind without a Body: Exploring Out-of-Body Experiences*. Main responsibilities: Setting up and moderating live sessions, creating assignments, updating course schedule, doing assessments for certificates of completion, handling student correspondence.

Past Research Experience

August 1974-August 1976:

Illinois Center for Psychological Research, Park Ridge, IL, USA. (No longer in operation.) Volunteer position. Independent investigator with emphasis on laboratory testing of ESP.

August 1977 to May 1982:

Central Psi Research Institute, Chicago, IL, USA. (No longer in operation.) Volunteer position. Independent research with emphasis on laboratory testing of ESP, instrumentation development, and remote viewing.

December 1983 to December 1993:

Institute for Parapsychology, Durham, NC, USA. **1986 to 1993:** Visiting Scholar (volunteer position). **1983 to 1986:** Full-time Research Fellow. Designed and implemented various experimental studies of ESP; conducted historical research into development of parapsychological terminology; conducted citation analysis study comparing male and female research output in two 10-year periods in the history of 20th-century parapsychology.

September 1986 to May 1993:

Duke University, Durham, NC, USA. **1991 to 1993:** Team assistant in medical sociology study focusing on the relationship of social support to leukemia remission rates. **1986 to 1993:** Thesis research on the history of women in psychology and on hysteria as a medical diagnosis in US medical practice in the nineteenth century. **1986 to 1991:** Team assistant in quantitative study

focusing on land-use history of Southeast Asia.

October 1994 to December 1999:

University of Edinburgh, Edinburgh, Scotland, Department of Psychology. Research into the history of criticism and response in academic, English-language parapsychology, and psychical research.

July 1995 to July 2000:

Centro de Estudios Integrales de Puerto Rico, San Juan, Puerto Rico. (Schedule C business owned by Carlos S. Alvarado, Ph.D., no longer in operation) Research into psychological correlates of claims of paranormal experiences.

Past Grants and Awards

1974:

Illinois Center for Parapsychological Research (no longer in operation), Park Ridge, IL, USA. Gertrude Schmeidler Award for Outstanding Student Work in Parapsychology.

1976:

Northern Illinois University, DeKalb, IL, USA. Department of Education Tuition Grant and Graduate Research Assistantship. Funded M.S.Ed. in Community College Education with a teaching specialty in psychology.

1987:

Duke University, Durham, NC, USA. Anne McDougall Award. Funded textbook purchases.

1988:

Department of History, Duke University, Durham, NC, USA. Tuition grant. Funded coursework in the doctoral specialty in the history of science.

Department of History, Duke University, Durham, NC, USA. Graduate School Travel Grant. Funded travel to the Cheiron convention at Slippery Rock University to present research.

1990:

Parapsychology Foundation, New York, NY, USA. Research grant. Funded independent judge for a parapsychological experiment utilizing the Ganzfeld methodology.

1994:

Society for Psychical Research, London, England. Research grant. Funded doctoral dissertation research on the history of criticism and response in a controversial sub-specialty in psychology.

Perrott-Warrick Fund, Cambridge University, Cambridge, England. Tuition grant. Funded doctoral dissertation research on the history of criticism and response in a controversial sub-specialty in psychology.

Parapsychology Foundation, New York, NY, USA. Research grant. Funded doctoral dissertation research on the history of criticism and response in a controversial sub-specialty in psychology.

1996:

Institut für Grenzgebiete der Psychologie und Psychohygiene, Freiburg im Breslau, Germany. Research and Tuition grant. Funded doctoral dissertation research on the history of

criticism and response in a controversial sub-specialty in psychology.

1998:

Parapsychology Foundation, New York, NY, USA. Eileen J. Garrett Scholarship. Funded doctoral dissertation research on the history of criticism and response in a controversial sub-specialty in psychology.

1999:

Koestler Parapsychology Unit, Department of Psychology, University of Edinburgh, Scotland. Research Grant. Funded doctoral dissertation research on the history of criticism and response in a controversial sub-specialty in psychology.

2002:

Koestler Parapsychology Unit, Department of Psychology, University of Edinburgh, Scotland. Research and Tuition grant. Funded analysis and writing phase of doctoral dissertation on the history of criticism and response in a controversial sub-specialty in psychology.

Past Administrative and Editorial Experience

Fall 1975-August 1977:

Northern Illinois University, DeKalb, IL, USA. Part-time Graduate Research Assistant,

1977-1978, Spring Semester 1979:

Mundelein College, Chicago, IL, USA (now subsumed under Loyola University). 1979: Full-time temporary, Assistant to the Director of Student Accounts. 1977 to 1978: Full-time, Assistant Registrar.

1977-1982:

Central Psi Research Institute, Chicago, IL, USA (no longer in operation). Member, Founding Council. 1980 to 1982: Executive Director. 1977 to 1980: Director of Education. Part-time volunteer positions.

Fall semester 1979, 1981-1982:

Chicago City-Wide College, Chicago, IL, USA. 1981 to 1982: Full-time temporary, Clerical Supervisor, College Acceleration Program. 1979: Full-time temporary Administrative Assistant, Office of the Provost.

January 1985-Fall 1986, January 1988-March 1990:

Judea Reform Congregation, Durham, NC, USA. Part-time religious school secretary and substitute teacher for middle and high school classes.

Fall 1985-Fall 1986, May 1990-December 1993:

Labyrinth Press, Durham, NC, USA (no longer in operation). 1990 to 1993: Business Manager. 1985-1986: Administrative and Editorial Assistant.

January 1988 to 2010:

Puente Publications (Self-employed, Schedule C business). Part-time business, editorial and print process manager for various newsletter and publishing clients. Also published *Multiple Personality: An Hispanic Perspective* by Dr. Alfonso Martinez-Taboas (1995), *Glossary of Terms Used in Parapsychology* by Michael A. Thalbourne (2003), *Healing Tales: The Narrative Arts in Spiritual Traditions* edited by Dr. Stanley Krippner, Michael Bova, Leslie Gray, and Adam Kay

(2007), and *Healing Stories: The Use of Narrative in Counseling and Psychotherapy* (2007).

July 1995 to July 2000:

Centro de Estudios Integrales de Puerto Rico, San Juan, Puerto Rico. (Owned by Carlos S. Alvarado, Ph.D., no longer in operation) Part-time business manager, event, and research staff.

November 1998 to 2008:

Parapsychology Foundation, New York, NY, USA. 2003 to 2008. Part-time Director of Publications in Charlottesville, VA virtual office. July 2000 to 2003: Full-time Director of Publications on-site in New York City. November 1998 to July 2000: Contract editorial work through Puente Publications.
